

StackWall & CapStone

Made from 100% Recycled Tires

Stackable • Durable • Bendable

Shercom's new stone face StackWall can turn any project into a masterpiece. Easy to transport, handle and install, it offers the look of stone with the weight and durability of rubber.

Create beautiful flower beds and garden areas in an afternoon. StackWall is easy to install with just screws or glue.

All Shercom products are non-toxic and non-flammable making them safe and eco-friendly for any outdoor space.
