

SHER-EZ CURB RAMPS

The *SHER-EZ* Curb Ramp bridges the gap between the street and a rounded driveway curb. Our ramps have a full length water channel to allow for storm drainage and can easily be moved for periodic street cleaning.

FEATURES

- Curb Ramps take the bump out of your rolled curb driveway!
- Prevent damage to a vehicle's front end
- Creates a smooth transition from the road to your driveway
- Water channel allows for water run-off to pass underneath

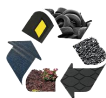

INSTALLATION AND MAINTENANCE

- Easy to install in minutes with only one person
- Lay into desired area and use connector ties (supplied) to connect the curb ramps together in series
